

Doc # 1

Proposed By Rana Asif Khan
TIR Consultant and AEO Advisor

To:

Manager Imports,
(Name of Shipping Line)

Karachi, Pakistan.

Subject:

Request for Manifest Amendment –
Conversion from Transshipment to TIR Transit

Reference:

BL No: _____

Container No/s: _____

Dear Sir,

With reference to the above-mentioned shipment, we would like to inform you that the cargo was originally manifested under "Transshipment" due to war risk at the intended destination, routed via Jebel Ali, UAE to Bandar Abbas, Iran.

However, the consignee has now decided to move the shipment via **land route from Pakistan to Iran under the TIR (Transports Internationaux Routiers)** regime.

In this regard, we formally request your good office to amend the manifest with Pakistan Customs as per the following:

AMENDMENT DETAILS

1 Change of Cargo Movement Description:

Instead of:	Should be:
Goods in transit to Iran via Jebel Ali, UAE	Goods in transit to Iran via Pakistan (GABD, BP250) Land Border under TIR Transit Regime

2 Amendment for Via Port:

Instead of:	Should be:
Qasim International Container Terminal	GABD (BP250) Land Border

3 Amendment for BL Type:

Instead of:	Should be:
Transshipment	TIR Transit through (TIR EPD) without ITTK GD

NOMINATION & AUTHORIZATION

We hereby nominate M/s. _____, Karachi, as our authorized TIR Operator for handling and transporting the above-mentioned consignment under the TIR regime.

Furthermore, we authorize you to proceed with the required manifest amendment with Pakistan Customs on our behalf, including all necessary documentation, submissions, and procedural formalities required to effect this change.

UNDERTAKING & INDEMNITY

We hold you free from all liabilities and responsibilities for any consequences arising directly or indirectly due to the above amendment.

We also undertake and agree to pay (pre agreed) all applicable charges, costs, and fees payable to your good company / Shipping Line in connection with this amendment.

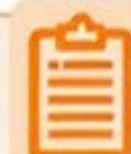

YOURS FAITHFULLY,

Consignee
